## CONGRATULATIONS

Heartiest congratulations Harrington High School Annual Staff on your most excellent year book. Another project completed; and in the background hours of effort that go into a book of this kind. May this annual be cherished by all as a monument to the accomplishments of the year 1951-1952.

Seniors of the class of 1952, may your memories of Harrington High School always be bright. You have now achieved another of life's goals. Congratulations to you all. May my best wishes for life's successes go with you.

George H. Anderson  
Superintendent

After an interval of over twenty years the Harrington High School Panther was again published in 1945 and has been issued every year since then. This annual has been published at the lowest cost of any in the Bi-County, without any sacrifice of quality and quantity. The editors of all the annuals have worked very hard to make a permanent record of all the memories of their years in school. To Darlene, this year's editor, and her staff, I give my sincere thanks for their splendid efforts. The grade school has been included [the Panther is the only annual of which we know which has incorporated the grades] for two reasons: Financially they have made it possible to publish as fine an annual as is possible and at the same time give the grade school children a record of their activities and friends that would otherwise have been lost.

This year brings to a close my association with Harrington High School. I shall always remember with pleasure the association of many students, who have made the job of teaching not only pleasant but have given the teachers a sense of having accomplished something of importance. The many friends we have made here will be missed more than we care to think, especially those who have made our stay here very happy. Perhaps if many of the basketball fans were to remember that athletics are games and that the prime reason for their existence is the teaching of fair play and sportsmanship there would be a much happier feeling in the whole community.

This, the 1952 Panther, has given me opportunity to say goodbye—so in the parlance of the 4th estate.

H. A. Pommer  
Principal

The honor of being editor of the 1952 PANTHER has been one of the most enjoyable highlights of my high school career.

I hope you, the readers, receive as much pleasure from its contents as my staff and I have had in compiling it.

I wish to express sincere thanks to my very efficient staff; my advisor and assistant, Mr. H. A. Pommer, who photographed the pictures in this annual; the advertisers who made this annual possible; our printer and publisher, Mr. W. A. Wilbur; and you, the public, who purchased so many annuals.

My hope is that the memories treasured in this annual will be a genuine source of enjoyment in the years to come.

## HISTORY

The class of '52 entered grade school during the fall of 1940, and they were the last class to graduate from the little, old, red brick school house. The class participated in the rhythm band, operettas, plays, junior band, and basketball.

Grade school days were over, and the class started its high school career, September 7, 1948. With two members missing—Ann Louise Swyter became ill and Helen Whitney moved to Davenport—the class now numbered nine. Bob Jannot from Wilbur and Jim Larsh from Yakima joined us, making a class of eleven.

The members soon became active in the music groups, news staff, annual staff, sports and other extracurricular activities.

One of the first main events was electing class officers as follows:

President	Darlene Miller
Vice President	Jack Heimbigner
Secretary	Gloria Werner
Treasurer	Nils Knapp
Social Chairman	Patty Kerr
Board of Control	Tom Talkington
Sergeant at Arms	Bob Birge
Advisor	Mr. Lomax

Initiation, an unforgettable memory, proved to be fun for most of us. Our Freshman year came to an end with our class party at Natatorium Park.

The sophomore class, with three new members—Rosita Bercier transferred from Salem, Oregon, Joyce Kindred from Renton and Nancy Whipple from Reardan—started the fall term. Our class advisor and the following officers were elected.

President	Tom Talkington
Vice President	Peggy Chappell
Secretary	Nancy Whipple
Treasurer	Bob Birge
Social Chairman	Darlene Miller
Board of Control	Patty Kerr
Sergeant at Arms	Terry Biggart
Advisor	Mr. Lomax

Many members were awarded letters for various sports. The class made and sold pom poms in the school colors, red and black. Darlene Miller was elected by the student body to represent "Cinderella" at the Junior Prom. The class party at Manito Park was held May 26th.

The class of '52 had a most eventful and successful junior year under the following officers:

President	Nils Knapp
Vice President	Bob Birge
Secretary	Darlene Miller
Treasurer	Joyce Kindred
Board of Control	Terry Biggart
Social Chairman	Peggy Chappell
Advisor	Mr. Howard

## HISTORY [Continued]

Two members left the roll call, Nancy Whipple and Rosita Bercier.

We had a booth at the fall Barbe-Q and sold cookies, pies, donuts, and candy. We also had a food raffle and sold popcorn and pep at the basketball games.

October 6 we initiated the freshmen. That night initiation was completed followed by refreshments and dancing.

The Junior class play, "Let Me Out Of Here", was presented November 17, under the direction of Mr. Howard. A cast party was held following the performance.

With much work we presented our Junior Prom, honoring the seniors, May 4. The theme "Stairway To The Stars," was carried out from the winding stairway to the silver colored stars. Dr. Hartman and his Go zags sang the music. Georgia Anderson, Dana Parr, Billy Talkington, and Lenny Swensen were flower girls and boys. The Junior escorts were Joyce Kindred, Darlene Miller, Nils Knapp, and Jack Heimbigner. The punch was served by Anita Barbre and John Maurer.

Gloria Werner and Nils Knapp were given the honor of attending Girls and Boys State respectively. They were sponsored by the American Legion Auxiliary and the American Legion.

Jack Heimbigner was selected as a member of the first five basketball string at the North East District Tournament and was selected as a member of the 2nd string team in the State "B" Basketball Tournament.

The Junior year was brought to end with our class party at Loon Lake. We will remember this year as being one of our best and most active.

As the high school days near the end for the class of '52, we remember all the memorable activities we participated in during our last year at Harrington High School.

Three members, who had been with the class in previous years, joined us: Jim Larsh, Ann Louise Swyter, who had been ill, and Alison Morris, who transferred from California; thus making the number of classmates fourteen.

To lead the class, we elected the following officers:

President .....	Nils Knapp
Vice President .....	Jim Larsh
Secretary .....	Gloria Werner
Treasurer .....	Joyce Kindred
Social Chairman .....	Darlene Miller
Board of Control .....	Bob Birge

Mr. Anderson was appointed class advisor.

"Dressed to Kill," our class play, was presented December 8th, under the capable direction of Mr. Howard. The play was different from the usual school play in that it showed the dramatic ability of the cast.

The class chose Master Engravers to print its announcements. Our class motto is: "Never before have we had so little time in which to do so much." Our class flower is Sutter's Gold Rose and our class colors are Jet and Gold.

A "Hobo Dance" was sponsored by the class with the student body as guests, March 21st.

Darlene Miller was chosen as D. A. R. representative for Harrington High School.

## HISTORY [Continued]

Joyce Kindred was chosen to represent the class and student body the week-end of May 8th, as princess for activities at Whitworth College.

A new activity was put on May 16th by the class of '52. The class showed its many talents at "Class Night."

We had our class party May 23, and the traditional sneak was held April 9.

Baccalaureate was held May 25 and last activity together was Commencement May 28, thus bringing to a conclusion the high school "daze" of the greatest graduating class who has ever been graduated from the hallowed halls of Harrington High School.

## "52" CLASS WILL "52"

We, the members of the class of "52" of Harrington High School, County of Lincoln, State of Washington, being of sound mind and memory, and having reached an age where we are soon to pass on to higher realms, do hereby make and declare this to be the last will and testament of our class. This valuable document, duly executed and signed, is as follows:

To the members of our beloved faculty we leave a large amount of sympathy for their depressing attempts to pound knowledge into our craniums and our regrets that their work with us was so barren of results—we leave them, but we don't leave them much! In addition we bequeath to—

Mr. Lomax: Fond memories of Teel's pasture, our athletic abilities, and Natatorium and Manito Parks.

Mr. Howard: Play books, cheesecloth, "Stairway to the Stars," and the gathering at the Sillman Hotel.

Mr. Anderson: Orderly meetings, Amoebae, and peanuts.

Miss Simpson: English themes, and orderly and prompt classes.

To Miss Hoff, who seems too much wedded to her work as a teacher, we leave the book belonging to the girls of this class "How to Win a Husband" Eventually—why not now?

To Mr. Pommer, the principal of the school, the unfailing good humor of the entire class, we are certain he will need this in dealing with the seniors who succeed us.

To the Junior class, as our rightful and worthy successors, we leave our seats. Occupy them, but do not try to fill them. We also leave them our great dramatic abilities.

To the Sophomores goes our tendency to make a little knowledge go a long way in the classroom.

To the Frosh we leave our dignity. May they uphold it with becoming seriousness endeavoring to overcome their usual half-brained and frivolous flippancy.

The following valuable personal bequests, freely and fully given should be treasured as a continual reminder of the abundant and overwhelming generosity of the class and the individuals thereof. We trust these responsibilities will be assumed promptly and bring important results.

## CLASS WILL [Continued]

Ann Louise Swyter bequeaths her sunny smile to Jo Ann Harrison—it won't come off! Ann wills her ability to get out of school every other Friday to Kathryn Knapp. Hope she has fun, Ann Louise didn't. To Mildred Layton she leaves the ability to take any class with Freshman. There is always something happening.]

Gloria Werner wills to Leota Borgens her ability to keep the sax section in band under control—it isn't easy! To Lois Whiteside she leaves her ability to be Assistant Editor of the school paper for three years more, until Gloria also wills the ability to operate a beauty parlor for cutting hair at school to Elois Harrison.

Darlene Miller wills her ability to drive a car on snowy roads to Greg Knapp. Mike gets to do it. To Bert Ring she wills her seat on the school bus, so he may get acquainted with the girls across the aisle. To Harriet Covert she bequeaths her desire to become an old maid.

Patty Kerr leaves her psychology books to Miss Hoff, the ability to write letters every day, to Joy Wilson, and she wants to give her ability to stay up until late hours to Lois Whiteside—for studying that is! Patty would also like to will her knowledge of Chemistry to any girl who is interested. What knowledge?

Joyce Kindred, second in class to be engaged, bestows upon Garry John Kindred the ability to get along with certain Davenport people. To Darrel Varner she leaves the ability to mix with people. He should be able to use this. Her figure troubles [mathematical] go to Janet Ann MacDonald. To Donna Maurer she left Joyce's ability to "Paddle her own canoe." Joyce has selected someone to paddle her for her.

Peggy Chappell gives the trick of looking innocent when caught in mischief to Kay Graham. To Joy Wilson she leaves her fondness for the boys. Why her? She leaves the ability to Cathryn Schultz to always have enough sandwiches at a class party.

Tom Talkington wills his ability not to get hurt playing football to Larry Knapp. [Do you think he will?] He wills his ability to keep the class in an uproar to Ray Whiteside. Tom bequeaths to Joe Combs his master ability of getting kicked out of English.

Bob Birge wishes to will his ability to get along with Mr. Lomax to Kathryn Knapp. To Warren Swenson he wills his quiet, dignified manner, and to Joan Fatten his ability to sit in the front of the room and still get passing grades in History. Last, but far from least, he wills his ability to speak three foreign languages to Kay. Now maybe they can converse privately.

Jack Heimbigner [first in class to be engaged] would like to leave some of his height to John Maurer. Think you can use it, Johnny? To Larry Bailey he leaves his powers of fascination. Jack says he has a steady now, and now, and doesn't need further fascination.

Terry Biggart wills his ease in using long, high-falutin and impressive words to Darlene Miller. He wills ability to always find a mode of transportation to school even though it is a bicycle to Claudia McCune. To Don Schultz, Terry leaves his ability to carry romantic leads in class plays. Wow!

Bob Jannot wills his locker full of pencils to Peggy but because she is also leaving the, will leave them to Mr. Lomax. He bequeaths his shy retiring manner to Bert Ring, and his crew cut to Benjy. His infectious chuckle he gives to Janet McCormick because she never laughs.

## CLASS WILL [Continued]

Jim Larsh bequeaths his habit of spending two hours a day on his Chemistry lesson—by sitting on the book while he reads yarns to Don Larson. To Everett Cole he gives his power to please the girls. His ability to talk himself out of tight situations he wills to Helen Okazaki.

Allison Morris wills the art of being kidnapped by the girls to Bert Ring. He hopes Bert will enjoy it as much as he did. He leaves his kitchen closet rats to Harrington High School. To Walter Griggs, he leaves the ability to type menus. To Mr. Anderson, he leaves his beautiful dark curly hair. Can you use it?

Nils Knapp wills his ability to demolish a car in one easy lesson to Larry Bailey. To future class presidents, his power to preside with a dignity that would do honor to a Chief Justice of the Supreme Court. To anyone who wishes it he leaves the art of getting to school in the nick of time—get more sleep that way!

Any broken pens, stubs of pencils, cast-off note books, mounds of gum we were compelled to stick hastily in out-of-sight spots to avoid faculty detection, and other mementoes we bestow freely upon the finder.

With our last parting breath we do hereby constitute and appoint the members of the faculty of aforementioned school executors of this our will and testament.

In witness whereof we have set the signatures and the seal of the class of 1952, this 28th day of May, One Thousand Nine Hundred and Fifty-two.

Signed—The Seniors

## PROPHECY

**Harrington High School Class of "52" Reunites After 40 Years**

Harrington City Park was the scene last week for the reunion of the class of '52. The returning class members found that they were not all that had changed since their graduation for the town of 600 had grown to a city of 300,000 in the ensuing 40 years. They discovered that City Park now covers nearly all the land on which the old town stood and that Harrington High School has been replaced with a number of ultra-modern, well staffed, and well equipped schools.

At the time of graduation the class consisted of only 14 members and so it is surprising to see how many of its members have done so well.

Jim Larsh, the host, is now president of the Great Northern Railroad. Mr. and Mrs. Larsh are some of the most distinguished residents of Harrington.

Many of the classmates still reside in Harrington. Mr. and Mrs. Bob Birge and their children, Donna Jeanne, Jackie Jay, Peggy, John, Larry, and Gene were present. Mr. Birge is president of the Peachy-Perfect Permanent Pre-mix Concrete Company.

Mr. and Mrs. Fletcher Johnson and their sons Jack, John Rodney, and Tommy attended. Mrs. Johnson was the former Miss Joyce Kindred. It is interesting to note that back in 1952 people wondered whether or not public power would take over private power. We know now that private power won and that Mr. Johnson is president of the Washington Water Power Co.

Mr. and Mrs. Tom Talkington and their daughters Donna, Joyce, and Wilma were present at the reunion. Mr. Talkington became a very successful wheat farmer and then when people began building around Harrington he sold his lands at an immense profit, and retired.

Mr. and Mrs. Bob Jannot, daughter Joy and son Terry attended the reunion. Mrs. Jannot supports Mr. Jannot by doing clerical work at Birge Swenson International Implement Company.

Miss Darlene Miller is the president of Panther Publications. Panther Publications has recently been awarded the Pulitzer Prize in Journalism. Miss Miller's company prints the Morning Citizen and the Evening Times Tribune as well as books and magazines.

Three class members came from the East. Included were Nils Knapp and his wife, the former Miss Patty Kerr, and Terry Biggart. Mr. and Mrs. Knapp are world famous for their joint discovery of the Elixir of Life and the Philosopher's Stone. They are now doing research work at Western Reserve University in Cleveland, Ohio. To reach the reunion, Terry Biggart hopped a freight in New

England where he had just been elected president of the Knights of the Road International.

California was represented by four class members: Madame Du Bois, Arson Morris, Miss Louise LuAn, and Miss Peggy Chappell. Madame Du Bois was Miss Gloria Werner when she went to high school. She and her husband, Monsieur Du Bois, are nationally known for their music schools which are somewhat similar to the Arthur Murray Dance Studios of their high school days. The noted racing driver, Arson Morris, attended the reunion in a wheel chair, but since it was atomic powered he sped around the park as if he were in his racing car the Petunia III. Glamorous Louise LuAn, the Gloria Swanson of 1992, who was known to her classmates as Ann Louise Swyter, and her plane load of Hollywood talent furnished much of the entertainment for the reveries. Miss Peggy Chappell, well known United States History professor at Stanford, is nationally known as the inaugurator of the Lomax Honor System, named after one of her high school teachers.

The only member of the class who did not attend the reunion was Jack Heimbigner. Mr. Heimbigner was at the time being investigated by a Senate Watchdog Committee for allegedly falsifying his kissing tax return.

The class members all agreed that their success and happiness in life was due mainly to the superb education that they received at their dear old Alma Mater, Harrington High School.

by Terry Biggart.

## SENIOR SNEAK

Four thirty A. M. on the morning of April 9th found 14 sleepy-eyed seniors boarding bus No. 6 for their noted sneak, leaving the town brightly colored [red to be exact] with "52's" and the high school classroom in an uproar. Mr. Lomax, bus driver, Mrs. Harold Jenkins and Arle Houck chaperoned the active bunch.

A portion of our class treasury was buried in the Desert Caravan Inn near Spokane after the starved seniors ate breakfast.

A journey to KHQ's radio station proved enjoyable. Cliff Carle and Curley Berger entertained the class in the studio with several western tunes.

After we had climbed aboard the greyhound (?) heading towards the Idaho state line, the group jogged to their seats and soon we entered Coeur d'Alene where Captain Finney took us on a cruise up the St. Joe River on the 'Sweewewanna'. A ham dinner at Rocky Point Lodge on Lake Chatcolet was enjoyed before returning to the boat and starting for Coeur d'Alene. This 80 mile cruise was the highlight of the day.

Spokane was the next stop where a delicious dinner was enjoyed in the Crystal Room of the Davenport Hotel.

Last of the events was a show "Singing in The Rain" at the Post Theatre after which nodding heads showed a sign of readiness to return to the home town.

An unexpected stop occurred at Davenport where we had to change a flat tire. But soon we continued—homeward bound—thus ending the colossal senior sneak of the class of '52.

### GIRLS LEAGUE

The Girls League, under the advisorship of Miss Augusta Hoff, completed an eventful year.

On September 28th, a farewell party was given for Miss Jean Glaeser, past advisor of the League. Refreshments, games and a program made up the evening's entertainment.

Six girls were initiated into this organization on October 22nd. A potluck dinner started the evening. A formal "star" initiation in a candlelight ceremony followed. Initiation stunts concluded the affair.

During the year, pop and hot dogs were sold at football and basketball games with proceeds going into the league treasury.

December, gift month, was commemorated with the giving of wool head scarfs to 12 girls at the Washington Children's Home in Spokane as a Christmas present from the League. Individuals made candy and popcorn balls which were packed and sent to the Veterans Hospital in Spokane.

In January, two Frosh girls were initiated into the league, building its membership to a total of 23.

On March 7th, the Girls League prepared a turkey dinner with all the trimmings for the annual basketball banquet honoring the first 100 basketball players. Red and black streamers of crepe paper and confetti were carried out the decoration plan and a program was presented by members of the league.

A Mothers Tea was given on April 18th by the Girls League to which all Mothers of H.S. students, boys and girls, were invited. Cookies, tea and coffee were served and a book review given by Mrs. Lois Harvey of Spokane highlighted the afternoon's entertainment.

Last on the list of activities for the season was a dinner for the senior girls given by the rest of the league members in May.

The league enjoyed a successful year and is grateful to Miss Hoff for the time and effort she expended for our benefit. Miss Hoff was primarily responsible for the success of the Basketball Banquet and the Mothers Tea.

### H. H. S. BAND

The senior band, composed of 40 members, under the direction of C. Henry Howard, has had a very active and successful year.

First among the band's activities was marching at the Lincoln County Fair in Davenport, September 7 and 8. On the 7th, the band was given the honor of leading the parade, with Queen Donna Maurer of H.H.S.

Later in September, a paper drive was held, with all members of the band turning out to help raise funds to pay for the new tuba. The community gave full cooperation on this new project.

A very important event of the band came on March 14 when, after hours of long practice, a formal spring concert was presented. Soloists for the evening were Gloria Werner, who played Beethoven's 1st Piano Concerto accompanied by the band, and Terry Biggart, who played a baritone solo "Buddies" with band accompaniment.

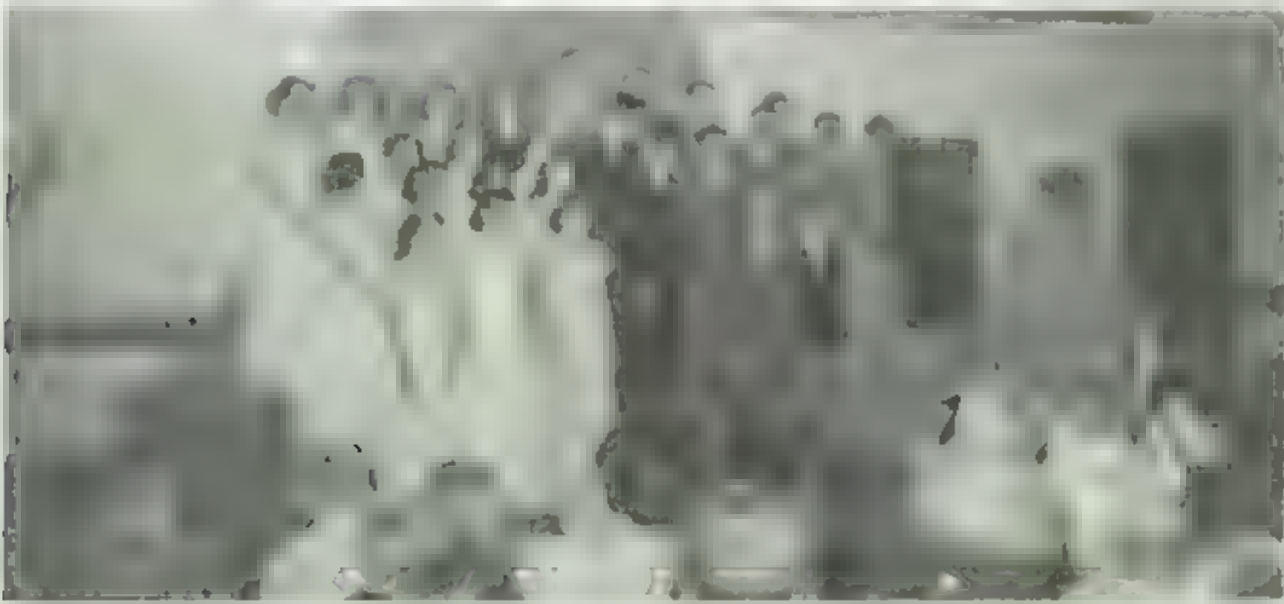

During the year a German Band was organized. This 5-piece band (?) played dressed in costumes [German?] at several school functions and public organizations.

On April 19th the band entered the Bi-County Contest in Almira, playing three numbers.

Following the contest, the band members stepped into full swing and started marching. Its first spring appearance was at the Lilac Festival in Spokane on May 17th. Majorettes leading the band were Peggy Chappel, [head majorette], Kay Graham, Karla Warwick and Roberta Reith [assistants].

The last event for the band during the 51-52 school year was the marching contest in Odessa on May 24.

Many thanks go to Mr. Howard, our director, who, directed our band through a very successful and eventful season.

Attri Boy Walt a three act comedy directed by Miss Gay and Simpson was presented by the class of "53" April 5, 1952

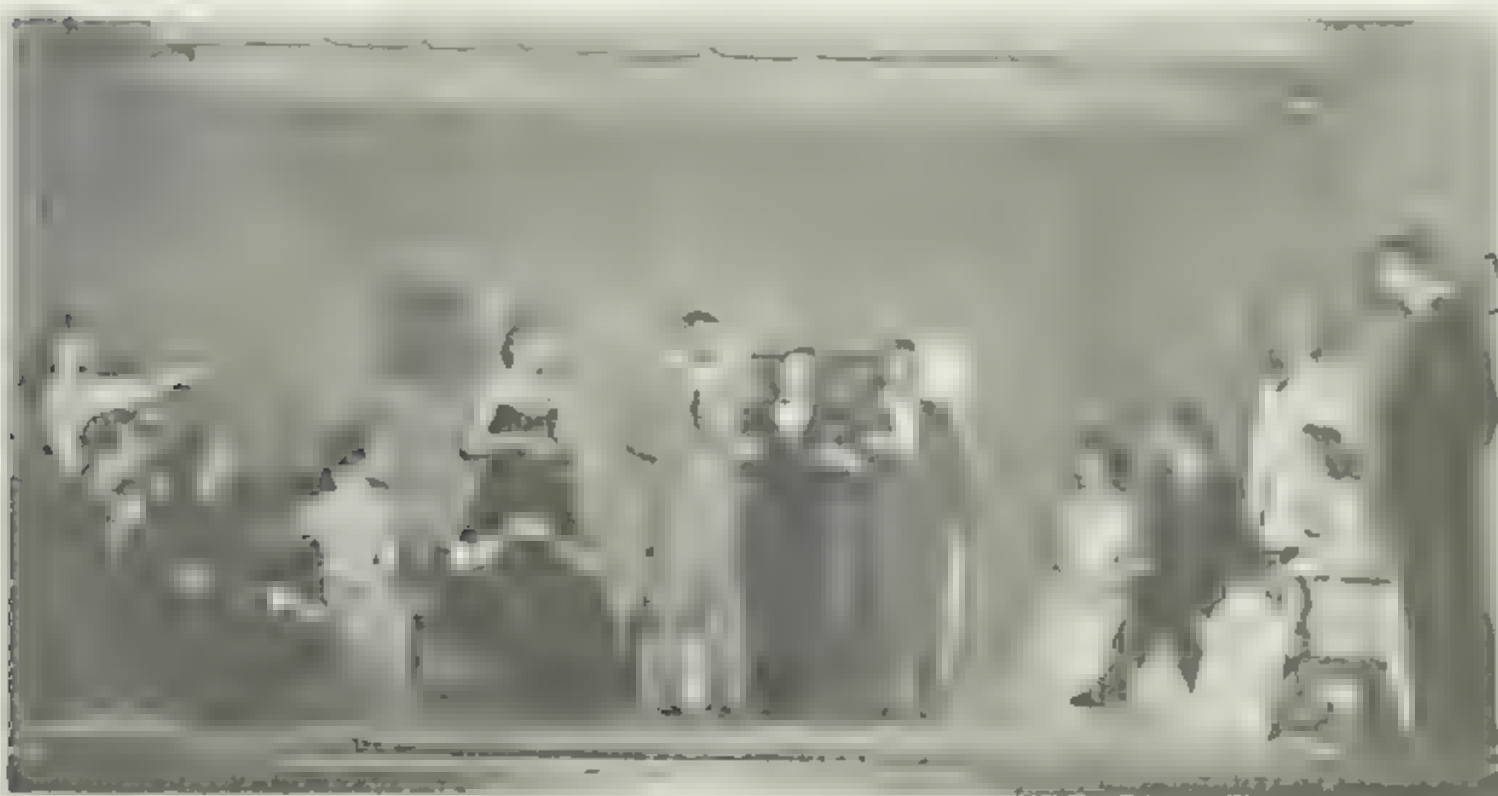

Story Of The Play

The setting for the play was in the woodshed of the Nelson home which Walt had made into a workshop where he could send Morse Code messages to his best friend Billy Herbert. But Walt's favorite room is constantly being invaded by his two sisters, Peggy and Shirley.

Walt learns from his father that he must stop sending his signals because of the complaints of the community and then Shirley informs him that he has lost his steady girlfriend Mary Ann Phillips to Gordon Andrews his pet peeve.

The night of the Junior Prom, Walt is left home alone, and "Trigger" Daniels, who has escaped from the State Penitentiary, tries to make Walt send a message to his pals who are waiting for him. But instead Walt sends the message to Billy to get the police. Then Mary Ann and Gordon arrive. Walt engages Trigger in a fight and Mary Ann knocks them both out with a baseball bat.

Finally all turns out right, with Walt getting Mary Ann back and a thousand dollar reward for capturing Daniels.

### SENIOR CLASS PLAY

"Dressed To Kill," a three act mystery, directed by C. H. Howard, was presented by the class of "52", December 8, 1951.

#### Story Of The Play

Philip Martin was suspected by the police and all his friends, except Stanley Peters and his faithful housekeeper, Cora Flint, of having murdered his cousin, Norma Hepworth, a brilliant young actress. To prove his innocence, he rented a cottage similar to Norma's and arranged a party duplicating the guests, setting, and circumstances of the murder. His guests, ever-faithful Stanley Peters and actress named Myra Conklin, Tom Newbury, Myra's latest acquisition; Louise Oakley, a friendly guest; Philip's suspicious aunt, Lydia Halsey; his unfriendly cousin Alice Martin, Alice's fiance Ronald Carey, Estelle Hannard, a reluctant guest; and the effeminate, easily excited Royce Bradley; some through fear and the others because they believed the police were in back of the party, felt compelled to attend.

Each guest began to hate Philip as he forced them with grim determination through a rehearsal of the murder and during a game played in the dark, Philip was murdered. This brought the police into the picture again and left it up to Inspector McKenzie, with the unhelpful assistance of Harry Ryan from the homicide bureau, to solve the baffling crime. Lydia Halsey beat the Inspector to the solution, but the killer, realizing he had been outwitted, again struck in the dark and she paid for her brilliance with her life. As the tension mounted among the guests and they began to point fingers of accusation at one another, the Inspector, due to Ryan's timely clumsiness, discovered the murder weapon hidden in a hollowed book. When the game of wits reached a dramatic pitch, the Inspector unmasked Ronald Carey as the killer. The case was made water tight when part of the torn playing card left in Lydia Halsey's hand was discovered in the murderer's pocket.

## FOOTBALL

Harrington's football season started on September 21. On that date they scored a victory over the Creston Comets on Creston's home field, 34-20. The Panthers used a running game throughout, and Jannot, Talkington and G Knapp kept the Comets guessing all through the game.

The next game was with the Reardan Indians at Harrington's playfield. Reardan was touted as a powerhouse, but their fuse burned out as we gained a 27-12 victory over them. End J. Larsh picked up a fumble and went for a T. D. and Jannot intercepted a pass for another to pull the game out of the fire after Reardan had pulled up within one point.

The prospect of an undefeated season was on all the players' minds as we journeyed to Sprague to play their supposedly undermanned team. That undermanned team didn't give the Panthers a chance to see daylight, as they snowed us under 54-27. Sprague could do no wrong and Harrington could do no right. Talkington was the big gun in the Panther offense, the defense too for that matter, but nothing helped as we suffered our worst defeat of the season.

After a bye, the Sprague Vikings came back for another shot at us, but this time they didn't have it so easy. They had to come from behind to win by a close 39-33 score. That was the last game of the season for the Panthers, who ended what could have been a successful season, with a disappointing 2 won - 2 lost record.

Harrington started the season with five lettermen: Tom Talkington, Bob Jannot, and Greg Knapp backs; Nils Knapp and Jim Larsh in the line. All these lettered again and Larry Bailey, Everett Cole, Larry Knapp, Garry Kindred, Bob Birge, Darrell Varnier and Alson Morris also received letters. Cole and L. Knapp are freshmen, Windred is a sophomore, Bailey and Varnier are Juniors and Birge and Morris are Seniors.

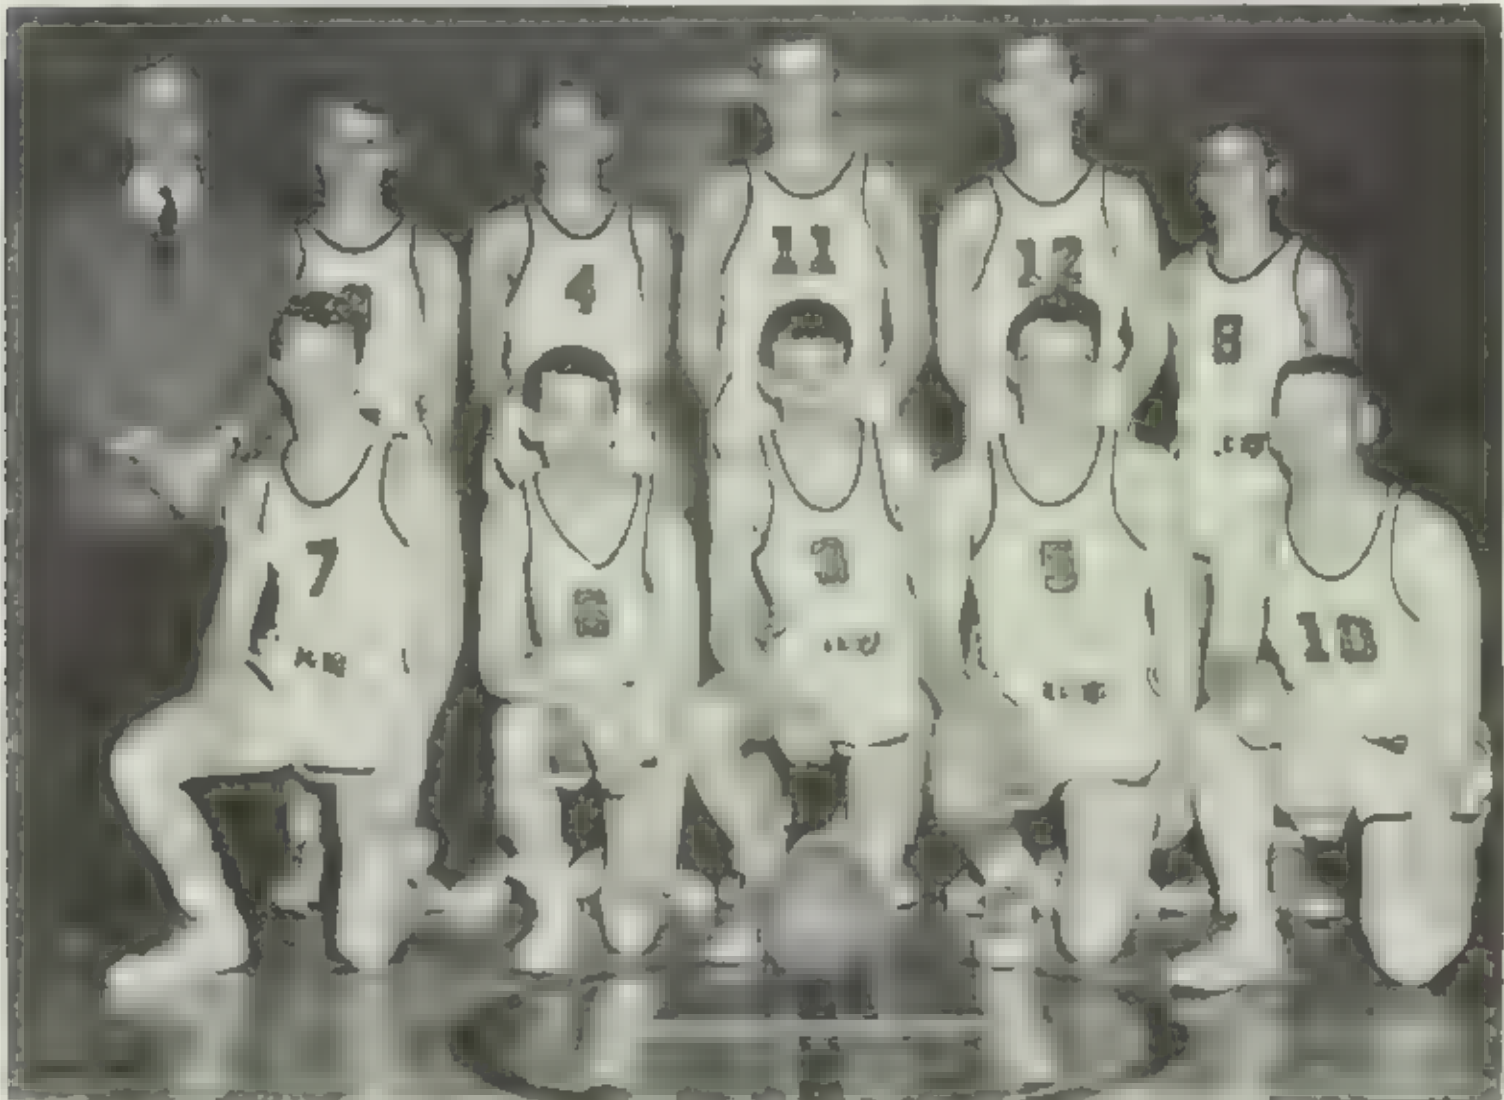

Tom Talkington and Jim Larsh were chosen co-captains of the 1951 team. Tom, a three-year letterman, was on the starting team since he was a sophomore. Jim, a two-year letterman, made the starting team last year and this year.

## BASKETBALL

In the first game of the season, Harrington played the Lewis and Clark Tigers. The Tigers easily walloped the Panthers 77-21. Half time score was 40-5. Bob Morris led the scoring with 17, Greg Knapp was high for Harrington with 8.

In the second game the Lakeland Cowboys beat the Panthers 39-31. The Panthers were ahead 20-14 at the half and 27-26 at the 4th quarter, but then lost their spark. Rhodes topped the scoring with 21, Talkington had 9 for Harrington.

Odessa topped the Panthers by two points in their first meeting but it took an overtime to do it. They won 30-28. Mills led Odessa with 8, but G. Knapp took scoring honors with 13.

In their second conference game the Panthers were trounced 50-39 by Sprague. C. Melville led the scoring with 24, and Bailey scored 16 for the Panthers.

Harrington met Ritzville at Harrington in their next game and won 33-29. It was one of Harrington's best games, and they had to come from behind to win. Hille of Ritzville led with 13, but Bailey was close behind with 11.

Harrington met Lewis and Clark's last five of their first ten in a game at Harrington and won their second game 41-25. Davis of LC led scoring with 15, and Jannot scored 14 for Harrington.

## BASKETBALL [Continued]

Harrington next journeyed to Ephrata and beat the Tigers 43-40. Bailey led the scoring for both teams with 16; however, Hargraves of Ephrata was close with 15.

Harrington went to Lakeland for their second meeting with the Cowboys and again lost 42-35. Rhodes was again high with 22 and Bailey led the Panthers with 10.

Harrington journeyed to Davenport and lost by 54-39. Harrington started fast but then faded. G. Gebke topped scoring with 16. Jannot tallied 13 for H. H. S.

Harrington went to Lind for their fourth conference game and were trounced 85-41. Jungbloom led the scoring with 17, Jannot was high for Harrington with 15.

St. John came to Harrington for a game and went home victorious 42-24. Hayes led the Eagles with 11, Jannot tallied 8 for Harrington.

Harrington went to Odessa for the return match of the two teams. Odessa won 46-34. It looked as if Harrington might win but then Odessa got hot and went on to win. Wilskie was high for Odessa, Jannot had 12 for Harrington.

Harrington journeyed to Ritzville January 20, and they ended up on the short end of an 80-52 score. G. Knapp led all scoring with 17. Tompkins dumped in 14 for Ritzville.

The St. John Eagles handed Harrington a 56-35 defeat there, February 2, to give them a clean sweep over the Panthers. Schauble led all scoring with 15, while Jannot scored 12 for Harrington.

The Sprague Vikings beat Harrington in the game only because of Melville's 35 point effort, to top all scoring, to score more than all the rest of his team put together. Birge led Harrington with 15. Final score was 61-42.

Davenport easily beat Harrington for the second time 74-44. K. Yates was high for the Gorillas with 17, Bailey led the Panthers with 12.

The Ephrata Tigers gained revenge for a previous beating by Harrington with a 61-53 overtime victory. D. Burke led Ephrata with 12. Birge bucketed 16 for Harrington.

Lind won the final game of their conference season with 51-36 verdict over the Panthers. It gave Lind the championship of the Southern Division. Branson led all scoring with 18, G. Knapp swished in 11 for Harrington.

Harrington wound up with a Won 3, Lost 15 record for the season, and a Won 1, Lost 7 in conference play.

Lettering for the Panthers were Bob Jannot, Tom Talkington, Larry Bailey, Al Krap, Elmer Birge, Garry Knitted and Greg Knapp. Bob Birge and Neil Knapp were chosen co-captains of the 1951 team. Tom Talkington was chosen the most inspirational player.

Row 1: Darrell Varnier, Ray Whiteside, Larry Bailey, Nils Knapp. Row 2: Kay Graham, JoAnn Harrison, Janet An MacDonald, Kathryn Knapp, Gloria Werner, Harriet Covert, Lois Whiteside.

## TENNIS

Prospects for a winning tennis team are good this season. Returning from last year's team are Janet An MacDonald, Larry Bailey, and Ray Whiteside. Many other capable players are working for positions on the team.

The South Side tennis meet will be held May 2 at Odessa and the Bi-County meet May 10 at Harrington.

Row 1: John Maurer, Joe Coombs, Garry Kindred, Bob Jannot, Don Schultz. Row 2: Coach Lomax, Warren Swenson, Bob Birge, Tom Talkington, Jim Larsh. Row 3: Bert Ring, Greg Knapp, Larry Knapp, Everett Cole

BASEBALL

The Panthers and their coach, Mr. Lomax, are looking forward to a successful season this spring with three returning lettermen; Jim Larsh, Bob Jannot and Greg Knapp. Many good prospects from the freshmen and sophomore classes are turning out. There seems to be quite a bit of hitting power this year, and the fielding is also good.

### FIRST GRADE

On September 4, 1951, the school opened it's doors to sixteen little folks, nine boys and seven girls, who entered the first grade.

On October 12, Sally Clarke, one of our number, withdrew from school leaving an enrollment of fifteen.

Our group enjoyed parties on Halowe'en, Christmas and Valentines Day. Most of the children celebrated their birthdays by bringing birthday cakes, ice cream and favors to school. These were times to which we looked forward.

We participated in a white elephant sale under the leadership of the student council.

We also took part in Visiting Week and were happy to report visitations from twenty-eight parents and friends.

### SECOND GRADE

Twenty-seven pupils have been enrolled in the second grade this year—seventeen boys and ten girls.

Wayne and Dwayne Galbreth left our class early in the year to attend school in Davenport. On March 28, Sharon Sampson moved with her family to make their home at Zillah.

Two new pupils entered in the spring: Adelia Griggs from Post Falls, Idaho and Diane Miller from Spokane.

Parties planned for and most enjoyed were at Halloween time, our Christmas celebration, Valentine Box, and Easter party, baskets and treats.

### THIRD GRADE

The third grade began the year with twenty-eight pupils enrolled, eleven boys and seventeen girls. During the first semester, Lois Moore and Sandra McKee withdrew.

We have enjoyed many birthday parties this year; other parties included Halowe'en, Christmas and Valentines Day. We were honored to have several mothers visit throughout the year. During Visiting Week, we welcomed twenty-eight mothers and fathers to our room.

We planted wheat and watched it grow while we were studying cereals in health. We have also made a classroom post office and collected pictures to illustrate various things we have studied.

### FOURTH GRADE

The fourth grade began the year with twenty-one members. They lost three and gained one new member. This is the first year here for Marie Vaughn and Jerry Wahl. Geography was made more interesting by first hand reports from Australia and New York. Visiting week was a success with nearly all parents participating.

## FIFTH GRADE

The fifth grade began the school year with thirteen pupils. Of this group, Leona Vaughn was a new member; she moved here from Chatteroy. In the spring, Elenore Knowles joined our room. She came from Davenport.

We have had a number of activities during the year. Just before Thanksgiving we gave a tea for the mothers. We had a program and an exhibit of pioneer things at that time. We gave a Safety Play for the grade school. Our room had a special song when we sang carols around the Christmas tree in the hall. In March, we had a candy and cookie sale, and used the money which we earned \$21.36 to purchase plants for the school yard and to help toward the fund for warm-up jackets for next year's basketball team.

Three of our girls, Judy Graham, Linda Kay Knapp, and Sharon Teel were yell leaders for the second team in basketball and for the Cub Scout Team. DeWain Burdette, Jim Esch and Donna Warwick were on the Cub's team, and Lynn McCormick was on the first ten on the Scouts' team.

## SIXTH GRADE

The sixth grade has a class of thirteen students, comprised of six girls and seven boys.

Several students participated in the grade and high school bands.

Various parties were held during the year, including Halloween, Christmas and Valentine's Day.

## SEVENTH GRADE

Nineteen seventh grade students began the school year. Bonita Baurer joined the class late in September.

Roberta Rieth, Karla Warwick, Barbara Moore, Loryn Schultz and Darrel Tanke are members of the high school band.

Jack Larsh, Darrel Tanke, Paul Turner, Bud Maurer and Robert Hawkins are members of the A string grade school basketball team. Emo Abbott, Larry Krug, Billy Hamme, Larry Schultz and Bobby McKinnor are on the B String Team.

The seventh grade yell leaders are Karla Warwick and Roberta Rieth.

Several parties were held during the school year including Halloween, Christmas and Valentine's Day. Mr. Cox's birthday was celebrated with a party on January 29. The class presented him with a cigarette lighter.

## EIGHTH GRADE

Richard Bartlett joined our class at the beginning of the school year making our roll call a total of seventeen.

Officers chosen for the first semester were: President, Jimmy Gooley; Vice President, Joan Loeffelbein; Secretary-Treasurer, Sarah Conklin; Social Chairman, Sharon Okazaki; Sergeant at Arms, Lorna Tanke; Student Council Representative, George Talkington; Reporter, George Talkington.

A Halloween Party was held at the Legion Hall in October. We had a pot-luck dinner followed by games and square dancing.

On December 19, 1951 we gave a play "Dicken's Christmas Carol" to the public. The play was directed by Mr. Gordon Peterson. The cast included:

Scrooge, George Talkington; Fred, Ted Schultz; Bob Cratchit, Gene Talkington; The 3 ghosts, Sally Conklin, Sharon Okazaki, Lorna Tanke; Marley's ghost, Larry Baker; Dick, Ted Schultz; Ebenezer, Larry Baker; Fezziwig, Charles Moore; Mrs. Fezziwig, Helen Cobb; Tiny Tim, Jimmy Gooley; Mrs. Cratchit, Janice Becker; Belinda Cratchit, Helen Cobb; Another Cratchit girl, Joan Loeffelbein; 2 Cratchit boys, Morgan Jannot and Richard Bartlett; Fan, Paula Stone; Scrooge as a little boy, Richard Bartlett; Mrs. Fred, Jean Werner; Mrs. Dilber, Anita Barbre; Old Joe, Charles Moore; A Boy, Morgan Jannot.

Between act entertainment, consisting of a piano duet, clarinet trio, and a piano solo, was furnished by members of the class.

Class officers chosen for the 2nd Semester were: President, Richard Bartlett; Vice Pres., George Talkington; Sec. Treas., Larry Baker; Social Chairman, Jimmy Gooley; Sergeant at Arms, Charles Moore; Student Council Representative, Jimmy Gooley; Reporter, Ted Schultz.

We sold candy and popcorn twice during the year to raise money for the grade school treasury.

A Valentine's Party was held on Valentine's Day. Refreshments consisted of ice cream, cookies, and pop. We made a box trimmed with hearts for the valentines.

For graduation we plan to have exercises held on the grade school lawn, weather permitting. Tentative date for 8th grade graduation is set for the first week in May.

We have enjoyed our 8 years in grade school and are anxiously looking forward to high school next fall.

### GRADE SCHOOL STUDENT COUNCIL

A Grade School Student Council was organized this year. The main officers consist of 8th graders who are:

President	Teddy Schultz
Vice President	Larry Baker
Secretary	Jean Werner
Treasurer	Lorna Tanke
Advisor	Mr. Cox

Each grade school class has one representative to the student council's meetings.

Money has been raised by the student council towards the purchase of shrubbery, fencing, flowers and basketball warm-up jackets.

A white elephant sale was held by the student council, at which every grade took part. Approximately \$85 was raised.

The student council make up rules and regulations governing the school ground, halls, and busses.

### GRADE BAND

The grade band, ably directed by C. Henry Howard, consisted of fifteen members. They participated in the band concert on March 14. The members are becoming adept with their various instruments and several have graduated into the high school band this year.

### GRADE BASKETBALL

Coach "Win" Lomax led the Harrington Grade School Wildcats through a successful season, climaxing in a weight tournament at Ritzville. Morgan Jannot was chosen captain by his team mates.

### GRADE YELL LEADERS

The yell leaders made a hit this year in green jumpers, white blouses, and green silk scarves.

Roberta Rieth, Karla Warwick, and Sharon Okazaki led the seventh and eight grade pepsters, while Sharon Tee, Linda Kay Knapp, and Judy Graham were junior cheer leaders.

Hi Judy,  
Lots of love  
to a very cute little girl.  
I hope you don't get  
tired marching in Spokane.  
Love,  
Peg

Judy,  
I bet you can hardly wait  
till you're out of school but,  
you will have fun in your  
later years. (I hope)

When you get married and your  
husband gets cross.

Pick up the broom and say  
"I'm Boss!"  
Roberta Rith  
"57" (I hope)
